

Sarah Shaw, Global Portfolio Manager and Chief Investment Officer

Sarah has 28 years' finance experience across accounting, commercial law, sell side and buy side research and portfolio management. This includes 18 years' global listed infrastructure experience, seven of which were offshore. Sarah has diverse global experience, having worked within global teams and funds for the past 20 years. She has particular expertise in emerging markets, having followed the region since 1998, combined with regional experience across developed Asia (including Australia), Europe and the USA.

Sarah is an experienced portfolio manager and before launching 4D Infrastructure was involved in the build-out of two start-up listed infrastructure capabilities.

Sarah launched 4D Infrastructure in partnership with Bennelong Funds Management in April 2015, and is responsible for the management of their 2 dedicated listed infrastructure funds namely the 4D Global Listed Infrastructure Fund and the 4D Emerging Market Listed Infrastructure Fund.
