

ClearBridge

A Franklin Templeton Company

Simon Ong - Portfolio Manager

Simon is a Portfolio Manager on Clearbridge Investments' Global Infrastructure Value Strategy, and has been with the company since 2014. In addition to being part of the Investment Committee, Simon also leads the research effort for a number of Utility and Infrastructure sectors globally, including North American Electric, Gas, and Pipelines, and European Airports, Rails and Roads.

Prior to joining Clearbridge, Simon was an Equity Analyst at Orion Asset Management, where he covered Australian Utilities, Infrastructure and Property Trusts, among other sectors.

Simon received a Bachelor of Commerce and Bachelor of Laws from the University of New South Wales.
