

Giuseppe Corona – Head of Global Listed Infrastructure

Giuseppe Corona is the head of AMP Capital's Global Listed Infrastructure Team, based in the London office. He also leads the research effort of infrastructure companies in North America and Europe. He joined the financial industry in 1999, and began portfolio management across long only and long/short products in 2008.

Prior to joining AMP Capital, Mr Corona spent two years at Exane-BNP Paribas as a senior equity analyst covering multi-utilities and infrastructure companies. Previously, he spent one year in Switzerland, managing a long/short market neutral portfolio at Swan, a small investment boutique, and nine years at Bear Stearns Asset Management in the US where he was appointed Managing Director in 2006. While at Bear Stearns he played an integral part in managing a US large cap value fund and a European long/short hedge fund.

Mr Corona holds a Bachelor of Economics and Business Administration from the University of Palermo in Italy and a Master of Business Administration in International Finance from St. John's University in Italy. He also holds a Certificate in Portfolio Management from New York University and is a CFA charterholder.
