

**Mark Jones – Portfolio Manager**

Mark has been global listed infrastructure portfolio manager at Resolution Capital since 2021.

He commenced in the industry in 2006 working for seven years at Goldman Sachs Asset Management where he was responsible for coverage of global and Australian listed infrastructure companies.

Prior to that, his most recent role before joining Resolution Capital was with global listed infrastructure specialists 4D Infrastructure, where he was the first employee and worked there for five years as a senior analyst.
