

# Morgan Stanley

## Matt King – Managing Director

Matt joined Morgan Stanley in 2008 and has 15 years of financial industry experience. He is a Managing Director at Morgan Stanley Investment Management and is co-portfolio manager for the Global Infrastructure Securities strategy, where he is responsible for primary, day-to-day management of the portfolios as well as directing the team's sector and company research. Since joining the Firm, Matt has been responsible for both portfolio management of the Global Infrastructure Securities strategy as well as the related research. Previously, Matt worked at Bear Stearns in a variety of roles including investment banking and research during which time he provided research and analytical support for a number of infrastructure-related financings. Matt received a B.A., magna cum laude, from Occidental College in Diplomacy and World Affairs and an M.B.A. with honors from Columbia Business School.
