

Balfe Morrison – Head of Listed Infrastructure

Balfe Morrison, Director, is Head of Listed Infrastructure Strategies within the Global Real Asset Securities Group (GRAS). Balfe sits on the GRAS Investment Committee and is a portfolio manager for the global listed infrastructure portfolios. Prior to joining the team in 2019, Balfe was with the Global Energy & Power Infrastructure ("GEPIF") team at BlackRock, where he evaluated and executed private market investments in the power, utility, and midstream sectors.

Prior to joining BlackRock, Balfe was an investment banking analyst at Lazard in the Power, Energy and Infrastructure group.

Balfe holds a Bachelor of Science in Economics from the University of Pennsylvania.
